Re: United States v. Christopher Kyle Johnston, et al., 20-cr-800

Dear Judge Kiel:

I write to respectfully request an eight-day extension of the time within which the Government must file its response to the post-trial motions filed by defendants Christopher Kyle Johnston and Trent Brockmeier. The Government requires an additional extension because the defendants' very lengthy motions require an extensive response, and my trial co-counsel remains on extended leave. With the extension, the Government's response would be due on July 11, and the defendants' reply briefs would be due on July 25. Counsel for both defendants have kindly consented to this extension.

Thank you for your consideration of this request.

Respectfully submitted,

ALINA HABBA
United States Attorney
